

FANCY BEADS...

Hallmark Sweet is pleased to announce the introduction of 9 **NEW FANCY BEADS** to its collection.

Our New **FANCY COLOR BEADS** are sterling silver; the color spectrums are created through a finish process; each bead finish and color is as unique as the process. Mix & Match - minimums of 100 pieces per color per size makes this the perfect product for designs with a colorful flare.

If colored beads do not fit into your design concepts, then check out our sterling silver **FANCY FINISH BEADS**.
